Apples, maple

cheddar and goat

Behold the power of NOM.

I love the fact that the stand
mixer makes deciding to throw
together cinnamon rolls to rise

Biscuits are best eaten fresh. And

Just wanted to let you know that I went climbing (clip-in) at the local gym for the first time last night. It was hard work and terrifying (I have a fear of heights...which makes me climb things like firetowers), and because of that it was also incredibly rewarding and I am definitely doing it again.

As I made my first climb up the easy practice wall (damn, that thing is high at the top) I found myself thinking of you and Daphne. Very much ECR, but it made me want to say thank you to the both of you for putting the idea in my head.

Much love.
